

SCOPE OF APPLICATION

Replacement of cable-quality PUR (ESCHA term: S366) by cable-quality PUR (ESCHA term: S370GY)

MODIFICATION

Due to reduce the number of cable-qualities and to consolidate the product-portfolio, we replace the current cable-quality S366 by cable-quality S370GY. Both cable-qualities are PUR cables.

Essential modifications

The S370GY cable-quality is:

- Drag-chain- and torsion-resistant
- Identical to our proven S370. Only the colour of the outer-jacket has changed to grey (like S366)
- UL-approved

DATE OF MODIFICATION

- Discontinuation by 31 December 2020
- Last order by 30 September 2020
