

SCOPE OF APPLICATION

Replacement of base line (BL) product portfolio by Automation Line (AL) product portfolio

BASE LINE

AUTOMATION LINE

MODIFICATION

- base line (BL) items will be replaced one-to-one by Automation Line (AL) items with the same characteristics if applicable
- Due to its hexagon knurl, the locking nut of AL items offers more flexibility in installation
- Clear structure of the ESCHA product portfolio

DATE OF MODIFICATION

- Discontinuation by 31 December 2021
- Last order by 30 November 2021

AFFECTED ITEMS

- See separate Excel list where applicable

Director Product Management
Thomas Korb
